I'd like to give a massive thanks to all DJ's involved, you've outdone yourselves with some brilliant Mixes everyone, also need to thank Chrispop for the excellent flyer, Dave Remix for recording all the intro's (I got mic shy) and my good friend Green Spark for the word processing (Tracklists) you've all been a tremendous help and I'm very grateful.

Now as this Download Pack is Limited to 200 a Month, if you want to share it about and give out copies, here's an alternative Link....
